PROFICIENT HEALTHCARE STAFFING LLC CAPABILITY STATEMENT

COMPANY OVERVIEW

Proficient Healthcare Staffing LLC is a woman and minority-owned small business committed to delivering comprehensive healthcare services that bridge gaps in care for underserved communities. We offer a wide range of services, including medical, dental, mental health, pharmaceutical, laboratory, staffing, medical case management (including claim reviews and medical necessity assessments), utilization management, and medical waste disposal. Our approach emphasizes integrity, professionalism, and innovation, ensuring high-quality, compassionate care tailored to client needs. With a dedicated team, we deliver efficient, personalized service that enhances healthcare outcomes in correctional and other specialized settings.

DIFFERENTIATORS

- **Expertise in Correctional Healthcare:** Proficient Healthcare Staffing LLC specializes in providing comprehensive medical, dental, and mental health services in correctional settings, ensuring quality care for inmates and detainees.
- **Tailored Healthcare Solutions:** We customize our healthcare services to meet the specific needs of each facility and population, balancing cost-efficiency with top-tier care.
- **Integrated Telemedicine Services:** We utilize telemedicine to enhance access to care, enabling timely medical consultations and minimizing disruptions in healthcare delivery.
- **Chronic Care Management Specialists:** Our team has extensive experience managing chronic conditions, ensuring ongoing monitoring and intervention to improve patient outcomes.
- **Agility and Personalization:** As a minority- and woman-owned small business, we provide personalized, one-on-one service to our clients, with the flexibility to quickly adapt to changing needs.

PAST PERFORMANCE

Hinds County Detention Facilities – Hinds County, MS Proficient Healthcare Staffing LLC exclusively provides medical, dental, and mental health services to over 700 residents in multiple detention facilities, including chronic care management, immunizations, and telemedicine.
